Academics assassinated: 321

Updated: April 28, 2013

(Last case registered: No. 172)

Spanish Campaign against the Occupation and for the Sovereignty of Iraq

IraqSolidaridad 2005-2012

The following list of University academics assassinated in Iraq is updated with the information delivered by the Iraqi CEOSI sources inside Iraq. It presents all the data compiled in the previous IraqSolidaridad editions. This relation has been collated and completed with that elaborate by the Belgian organization 'Russells Tribunal' [1]. This list only refers to the academic, institutional and research fields from Iraqi Universities, so that it does not include the staff that belongs to other fields and institutions, who has been targeting since the beginning of the occupation, such as directors of primary and secondary schools, high schools or health workers [2].
